Good afternoon PACE Organizations-

In preparation of the addition of PACE information to the managed care choice forms effective on January 2023, DHCS would like to provide all POs with the attached access forms and

technical guidance documents. These documents are provided to allow access for the POs to retrieve files that include information about beneficiaries who have selected PACE as plan option. Once the access forms are submitted back to DHCS, the technical contacts will have their accounts established and further communication will be provided to those contacts regarding access and file processing.

For POs that are currently operational in non-CCI counties and will be new to this process, we will need your PO to complete the attached SDES New Account Request Form. The completed form is due back to DHCS no later than Friday, November 25th. Please send directly to the PACE inbox, PACE@dhcs.ca.gov.

Please respond directly to this email if there are any questions. Thank you,

DHCS Program of All-Inclusive Care for the Elderly (PACE) Team
California Department of Health Care Services
Integrated Systems of Care Division
