Good Morning,

We received an inquiry from our internal team regarding the questions Mark raised below:

- Can we receive the Weekly Plan Files (WPF) via API ?
- If not, we're prepared to download the files manually from the SDES portal.
- Please advise on the required steps to activate or confirm our access, including any forms or technical setup needed.

In response, our internal team provided the following information:

It appears that your organization has not yet been scheduled for the Axway transition. Therefore, you should continue using your existing MoveIT SDES Access Account. Currently, the two SDES account holders on file are:

- CDuccini@myinnovage.com
- SMorrisette@myinnovage.com

Could you please confirm whether the contacts on your Axway form attached are still current?

Thank you,
